Health and Safety Committee 10 Meeting

July 21, 2014

Present: Achim Nicklis (AN), April Huff (AH), David Warren (DW), David Zuckerman (DZ), Deborah Malarek (DM), Eileen Herman (EH), Kathy Newell (KN), Roy Farrow (RF), EHS representative Emma Alder (EA), Craig Staude (CS), Christian Haapa-aho (CA) for Jon Wittouck

Called to order by DZ. AN taking minutes.

- Meeting minutes from 5/19/2014 and 6/16/2014 approved (2 corrections were made)
- 2014-05-039 closed, RF suggests staff wide orientation about Arboretum locations
- 2014-05-078 closed
- 2014-05-085 closed, L&I deferred claim 3 times and finally scheduled doctor visit; the UW ergo team can't get involved before L&I is done with their evaluation
- 2014-06-014 closed, the UW has strict rules regarding appropriate shoes on boats, but not on the dock. Not enough is known how accident occurred.
- 2014-06-077 closed, a complete new solution for the problem area will come with the capital project Arboretum Loop Trail ALT, but only in 2016; perhaps a visual marking of the location can help out until then.
- 2014-06-077 closed

- U-wide Meeting:
  May: EA gives a summary of the EOC campus wide exercise 'Turbulent Tango'. A simulation of civil unrest on campus tests first responses, communication and volunteer actions and overall management of this emergency.
  June: DZ describes the focus of the meeting 'Transportation on Campus' with a focus of bikes and pedestrians.

- EA explains the Step Smart campaign which tries to make people aware of their handheld device use while walking and asks people to unplug and make eye contact to avoid accidents.
- EA reports of bikes and pets inside buildings and offices. Bikes are NOT allowed indoors but safe, dry, lighted parking options for bikes are few. New solutions are necessary. Service animals are allowed by law, other animals not. There are problems with animals onsite and custodial and disability services have to communicate about this.

- DZ advertises the evacuation warden training coming up in Aug, Oct and Dec. See: http://www.ehs.washington.edu/psotrain/corsdesc.shtm
- CS reports the repair of the 911 service in the laboratories in Friday Harbor
- DZ tells of the brush fire in the Union Bay Nature Area
- DZ suggest to visit the Emergency Operations Center in the tower sometime after our successful visit to the Access Technology Center last month.

- Meeting adjourned.
